We continue to need YOUR financial help!

YOUR financial help is the reason we continue to be a leader in providing the highest level of EMERGENCY MEDICAL SERVICES for **YOU** in Baldwin, Brentwood, Pleasant Hills, West Homestead, West Mifflin and Whitaker.

YOU give us the money each year to meet the enormous financial and operational challenges to provide rapid emergency response and deliver quality care. We purchase ambulances and medical equipment with the latest technology available to save lives every day when responding to over 12,000 annual calls for service through 911.

Having the right people, with the right training and equipment, ready when you need help, is expensive.

THANK YOU for your consideration in making a contribution to the **2026 Project Readiness Capital Campaign**.

We can't do it without YOU!

Your Community Board of Directors, Paramedics, EMTs and Administrative Staff
